FHS Head Football Coach Bill Giles

Bill Giles enters the third year of his rebuilding program at Fort Hays State with almost all of the squad made up of his own recruits. The team made a tremendous improvement in his second year as the Tigers went from a 1-8-1 record to establish a 5-4 mark, the first winning season at FHS since 1966.

With the experience and talent that makes up the 1974 team, the prospect for continuing that winning and bettering last year's record not only seems good on paper, but is highly possible. Giles and his staff went recruiting during the off-season and came back with many prize catches to strengthen the veteran squad. Many of last year's freshmen contributed greatly to the team and this year's crop looks equally talented.

Prior to taking over the Tiger helm, Giles coached five years at Chadron State College, compiling a 27-18 record and giving Chadron four consecutive winning seasons for the first time in 20 years. He inherited a team that had lost all 10 of its games and patiently molded a winner, guiding his team to an 8-1 record in his second season.

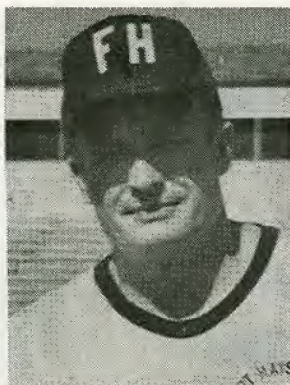

Before coaching at Chadron State, Giles coached high school football for four years at Bertrand, Sidney and Norfolk, Neb. with a record of 25-11. He then was line coach and head baseball coach at Kearney State College four years before moving to Eastern New Mexico University where he held the head baseball job and interior line coaching position. The following year he accepted a position at Hiram Scott College for one year and then moved to Chadron.

Giles was a stand-out all-around athlete at Alliance, Neb. High School and a two-sport letterman (football and baseball) while at the University of Nebraska. He was starting end on the NU Orange Bowl team of 1955 and won all-district and all-America honors as a first baseman that year. His .460 batting average led what was then the Big Seven Conference in 1955. He was signed to a professional contract by Joe Gordon and played one year in the California State League before turning to high school teaching.

Giles' family includes his wife, Joan, and their four children, Kim, 19; Billy, 16; Doug, 13 and Kerri, 11.

He is a member of numerous professional organizations including Phi Epsilon Kappa, the national honorary physical education fraternity, and the American Football Coaches Assn.

Defensive Coach Jerry Cullen

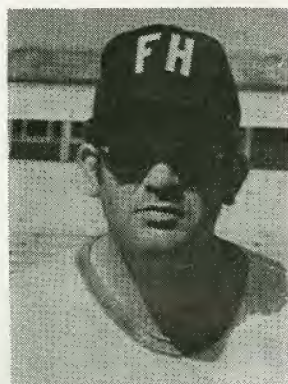

Jerry Cullen is in his third year on the Fort Hays State coaching staff after also coming from Chadron State College. He previously coached two years at Arvada West High School, Arvada, Colo., and one year at St. Procopius College, Chicago, Ill., before going to Chadron State.

Cullen received his bachelor's degree from the University of Northern Colorado in 1965 and his master's in physical education from Chadron State in 1970.

He lettered four years in football and three years in track while at UNC. He was selected Most Valuable Football Player at UNC in 1964 while capturing the Rocky Mountain Athletic Conference rushing title for the second time.

Cullen will be in charge of the defensive secondary and offensive running backs as well as coordinating the entire defense in 1974.

Line Coach Barry Allen

Barry Allen returns for this third year on the Fort Hays State coaching staff while also handling the duties of head wrestling coach. Before coming to the Tigers, he held coaching positions at Lanark High School, Lanark, Ill.; Lincoln High School, Lincoln, Ill.; Northern Illinois University, DeKalb, Ill.; and Kearney State College.

Allen received his bachelor's degree from Bradley University, Peoria, Ill., in 1963 and his master's at Northern Illinois University in 1967.

In 1962 he was chosen by "LOOK" magazine as honorable mention all-America in a pre-season poll. He was selected captain of the football team his senior year at Bradley.

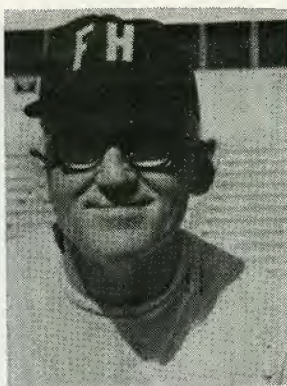

Allen will concentrate on coaching the offensive line, defensive line and kicking game this year for the Tigers.

Admin.

Assistant

Ed

McNeil

Ed McNeil took over new duties as an administrative assistant on the football staff last year after 16 years of coaching on the field. This year he will again combine his football chores with the job of head gymnastics coach.

Under his guidance, the FHS gymnastics program has grown to national prominence. In the last two years the squad compiled a 21-3 record and finished fourth and third in the NAIA Championships. He served the past year as president of the NAIA Gymnastics Coaches Assn.

McNeil first came to FHS in 1957 after stints as assistant football coach at College of Emporia and the University of North Dakota. He earned his B.S. at Kansas State University in 1949 and his M.S. from the same institution in 1950. A four-year letterman at Kansas State, he was named honorable mention all-America as a tackle his senior year. McNeil earned his Ed.S at Fort Hays State in 1967.

He will assist in all areas and will concentrate on working with the freshmen.

Because of offensive problems, Douglas was moved back to quarterback midway through his senior year and guided the Tigers to their winning season. A native of Amarillo, Tex., he owns several lines in the FHS record books and will long be remembered for his heroics on the field.

Jim Wilson, LB, 6-3, 225, 20, Sr.—

Should cover outside linebacker area well — has good size and quickness — won a full-time job last season — also attended Graceland College — named all-conference at Derby High School — also played basketball and golf — business administration major.

The GPAC

The Great Plains Athletic Conference, now in its third year of existence, has accepted a new member in Kearney State College. The six original schools were all members of the old Rocky Mountain Athletic Conference. The old RMAC is now known as the Mountain and Plains Intercollegiate Athletic Association, with the Plains Division being the GPAC and the Mountain Division retaining the RMAC name.

The only real difference between the reorganized set-up and the old is that winners in the two conferences do not play for an overall title as they did in the division set-up, and sports involving conference meets (cross country, track, etc.) no longer involve all the schools of the old RMAC. Kearney State will not participate in conference play in football and basketball this year but will be included in all other conference standings.

Tigers In The Pros

Running back Steve Crosby is on the New York Giants' squad of the National Football League. Crosby started in the Tiger backfield for three years and ranks second on the career rushing list with 2,780 yards. Individual honors after the 1973 season included all-GPAC, all-NAIA District 10 and Associated Press honorable mention all-America. The Pawnee Rock native was selected by the Giants in the 17th round of the NFL draft. Giants Coach Bill Arnswanger calls Crosby one of the best blocking backs he's ever coached.

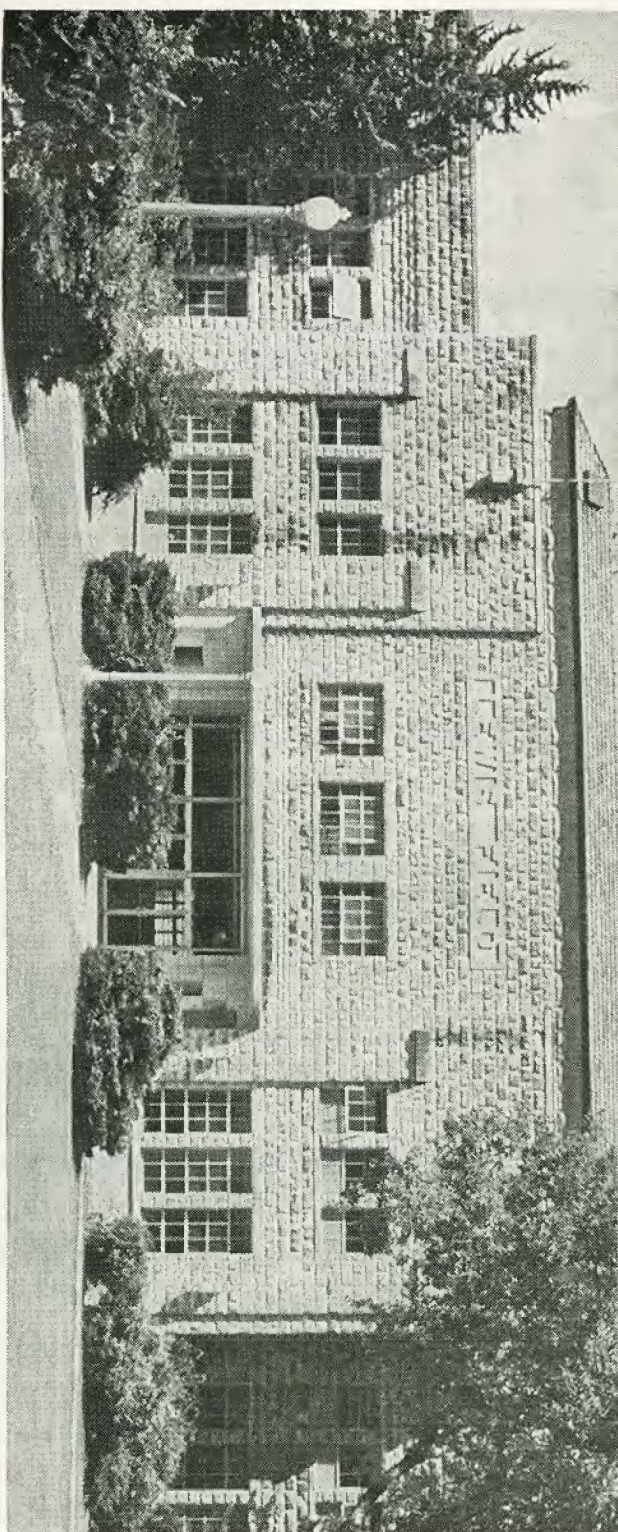

Steve Crosby

J. D. Armstrong

Linebacker J. D. Armstrong is playing for the Chicago Fire of the World Football League where he is seeing plenty of action every game. Armstrong, a Liberal product, anchored the FHS defense for three years from his middle linebacker position. He led the Tiger defense in tackles both his junior and senior years and was named All-GPAC as a senior in 1973. He signed as a free agent with the Fire.
